T.R.A. DOCKET ROOM

May 5, 2005

Hon. Pat Miller, Chairman
Tennessee Regulatory Authority
460 James Robertson Parkway
Nashville, Tennessee 37243

Re: *Application for Worldwide Fiber Networks, Inc. for a Certificate to
Provide Competing Intrastate and Interstate Interexchange and Local
Services in Tennessee*
Docket No. 99-00556

Dear Chairman Miller:

Worldwide Fiber Networks, Inc. ("Worldwide") wishes to inform the Authority that it is surrendering its CCN in Tennessee. Worldwide received its certificate to provide facilities-based interexchange services in Tennessee on November 30, 1999 in the above-captioned docket.¹ Worldwide does not have any customers in Tennessee.

If you have any questions or need further information, please do not hesitate to contact me.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC

By: 
Henry Walker KG

cc: Gary Ray

¹ The Order granting the CCN was issued on December 3, 1999.
